Let me begin by saying that I have just finished writing a book entitled Disfranchised and I'm enclosing you information relating to my book and my website. One of the main villains is Bill Salinski who was very instrumental in my wife and I being framed and spending over 7 years in prison. I read in the Atlanta Constitution on at least two occasions that Bill Salinski testified at Bill Campbell trial and was also instrumental in his conviction. Now let me say right her and now that my wife and I went to federal prison in March 1994 and got out on April 11, 2001 so I am not able to add or subtract from Bill Campbell term as mayor and my wife and I has lived in Dekalb County (15 miles east of Atlanta) since 1967 so we never voted in Atlanta.

I have proven beyond a reasonable doubt that that George and Virginia High were the victims of a government frame-up and "Racist Conspiracy" and that the United States of America and its surrogates deprived us of our Civil Rights as guaranteed by the First, Second, Fourth, Fifth, Sixth, Eighth, Thirteenth and Fourteenth amendments of the United States Constitution. We were unjustly indicted on Dec. 10, 1992, tried and unjustly found guilty on October 13, 1993, went to federal prison on March 28, 1994 and got out on April 11, 2001. George and Virginia High had a sham trial before a Kangaroo Tribunal, which was tantamount to a Judicial Lynching, and after which The United States of America Stole 1 Million Two Hundred Thousand Dollars from us and caused us to lose 4 Businesses and 4 + Million in Assets. George and Virginia High, began their fight in earnest in mid 1994, for justice and freedom and since that time have filed 15-20 Motions in the District Court, 10 + in the 11th Circuit Court of Appeals and 3 in the U.S. Supreme Court.

We have filed complaints with the Justice Dept, Office of Civil Rights, State Bar of Georgia, Office of Professional Responsibility, U.S. Attorneys Office. Filed Civil Suits, and filed Criminal Action, and the list goes on and on, all to no avail. Through out this entire ordeal, the United States of America and its surrogates maintained a United Front and Stone-walled us for 15 years. I decided early on to write my book and In October 2005, I lunched this website to tells what everyone did and how and why they did it. My sole intent is to publicly expose the Executive and Judicial Branch of the United States of America and its surrogates for their unjust conviction and false imprisonment of myself and my wife Virginia C. High for over 7 + years. Visit my website: www.georgehigh.com George High, 700 Atlanta, # 813 Decatur, Ga. 30030

Now let me say right her and now that my wife and I went to federal prison in March 1994 and got out on April 11, 2001 so I am not able to add or subtract from Bill Campbell term as mayor and my wife and I has lived in Dekalb County (15 miles east of Atlanta) since 1967 so we never voted in Atlanta.

I have proven beyond a reasonable doubt that that George and Virginia High were the victims of a government frame-up and "Racist Conspiracy" and that the United States of America and its surrogates deprived us of our Civil Rights as guaranteed by the First, Second, Fourth, Fifth, Sixth, Eighth, Thirteenth and Fourteenth amendments of the United States Constitution. We were unjustly indicted on Dec. 10, 1992, tried and unjustly found guilty on October 13, 1993, went to federal prison on March 28, 1994 and got out on April 11, 2001. George and Virginia High had a sham trial before a Kangaroo Tribunal, which was tantamount to a Judicial Lynching, and after which The United States of America Stole 1 Million Two Hundred Thousand Dollars from us and caused us to lose 4 Businesses and 4 + Million in Assets. George and Virginia High, began their fight in earnest in mid 1994, for justice and freedom and since that time have filed 15-20 Motions in the District Court, 10 + in the 11th Circuit Court of Appeals and 3 in the U.S. Supreme Court. We have filed complaints with the Justice Dept, Office of Civil Rights, State Bar of Georgia, Office of Professional Responsibility, U.S. Attorneys Office. Filed Civil Suits, and filed Criminal Action, and the list goes on and on, all to no avail. Through out this entire ordeal, the United States of America and its surrogates maintained a United Front and Stone-walled us for 15 years. I decided early on to write my book and In October 2005, I lunched this website to tells what everyone did and how and why they did it. My sole intent is to publicly expose the Executive and Judicial Branch of the United States of America and its surrogates for their unjust conviction and false imprisonment of myself and my wife Virginia C. High for over 7 + years.

Let me begin by saying that I have just finished writing a book entitled Disfranchised and I'm enclosing you information relating to my book and my website. We were unjustly indicted on Dec. 10, 1992, tried and unjustly found guilty on October 13, 1993, went to federal prison on March 28, 1994 and got out on April 11, 2001. George and Virginia High had a sham trial before a Kangaroo Tribunal, which was tantamount to a Judicial Lynching, and after which The United States of America Stole 1 Million Two Hundred Thousand Dollars from us and caused us to lose 4 Businesses and 4 + Million in Assets. George and Virginia High, began their fight in earnest in mid 1994, for justice and freedom and since that time have filed 15-20 Motions in the District Court, 10 + in the 11th Circuit Court of Appeals and 3 in the U.S. Supreme Court. We have filed complaints with the Justice Dept, Office of Civil Rights, State Bar of Georgia, Office of Professional Responsibility, U.S. Attorneys Office. Filed Civil Suits, and filed Criminal Action, and the list goes on and on, all to no avail. Through out this entire ordeal, the United States of America and its surrogates maintained a United Front and Stone-walled us for 15 years. I decided early on to write my book and In October 2005, I lunched this website to tells what everyone did and how and why they did it. One of the main villains is Bill Salinski who was very instrumental in my wife and I being framed and spending over 7 years in prison. I have proven beyond a reasonable doubt that that George and Virginia High were the victims of a government frame-up and "Racist Conspiracy" and that the United States of America and its surrogates deprived us of our Civil Rights as guaranteed by the First, Second, Fourth, Fifth, Sixth, Eighth, Thirteenth and Fourteenth amendments of the United States Constitution. Let me begin by saying that I have just finished writing a book entitled Disfranchised and I'm enclosing you information relating to my book and my website. One of the main villains is Bill Salinski who was very instrumental in my wife and I being framed and spending over 7 years in prison. I read in the Atlanta Constitution on at least two occasions that Bill Salinski testified at Bill Campbell trial and was also instrumental in his conviction. Now let me say right her and now that my wife and I went to federal prison in March 1994 and got out on April 11, 2001 so I am not able to add or subtract from Bill Campbell term as mayor and my wife and I has lived in Dekalb County (15 miles east of Atlanta) since 1967 so we never voted in Atlanta.

I have proven beyond a reasonable doubt that that George and Virginia High were the victims of a government frame-up and "Racist Conspiracy" and that the United States of America and its surrogates deprived us of our Civil Rights as guaranteed by the First, Second, Fourth, Fifth, Sixth, Eighth, Thirteenth and Fourteenth amendments of the United States Constitution. We were unjustly indicted on Dec. 10, 1992, tried and unjustly found guilty on October 13, 1993, went to federal prison on March 28, 1994 and got out on April 11, 2001. George and Virginia High had a sham trial before a Kangaroo Tribunal, which was tantamount to a Judicial Lynching, and after which The United States of America Stole 1 Million Two Hundred Thousand Dollars from us and caused us to lose 4 Businesses and 4 + Million in Assets. George and Virginia High, began their fight in earnest in mid 1994, for justice and freedom and since that time have filed 15-20 Motions in the District Court, 10 + in the 11th Circuit Court of Appeals and 3 in the U.S. Supreme Court. We have filed complaints with the Justice Dept, Office of Civil Rights, State Bar of Georgia, Office

of Professional Responsibility, U.S. Attorneys Office. Filed Civil Suits, and filed Criminal Action, and the list goes on and on, all to no avail. Through out this entire ordeal, the United States of America and its surrogates maintained a United Front and Stone-walled us for 15 years. I decided early on to write my book and In October 2005, I lunched this website to tells what everyone did and how and why they did it. I have proven beyond a reasonable doubt that that George and Virginia High were the victims of a government frame-up and "Racist Conspiracy" and that the United States of America and its surrogates deprived us of our Civil Rights as guaranteed by the First, Second, Fourth, Fifth, Sixth, Eighth, Thirteenth and Fourteenth amendments of the United States Constitution. We were unjustly indicted on Dec. 10, 1992, tried and unjustly found guilty on October 13, 1993, went to federal prison on March 28, 1994 and got out on April 11, 2001. George and Virginia High had a sham trial before a Kangaroo Tribunal, which was tantamount to a Judicial Lynching, and after which The United States of America Stole 1 Million Two Hundred Thousand Dollars from us and caused us to lose 4 Businesses and 4 + Million in Assets. George and Virginia High, began their fight in earnest in mid 1994, for justice and freedom and since that time have filed 15-20 Motions in the District Court, 10 + in the 11th Circuit Court of Appeals and 3 in the U.S. Supreme Court. We have filed complaints with the Justice Dept, Office of Civil Rights, State Bar of Georgia, Office of Professional Responsibility, U.S. Attorneys Office. Filed Civil Suits, and filed Criminal Action, and the list goes on and on, all to no avail. Through out this entire ordeal, the United States of America and its surrogates maintained a United Front and Stone-walled us for 15 years. I decided early on to write my book and In October 2005, I lunched this website to tells what everyone did and how and why they did it. My sole intent is to publicly expose the Executive and Judicial Branch of the United States of America and its surrogates for their unjust conviction and false imprisonment of myself and my wife Virginia C. Let me begin by saying that I have just finished writing a book entitled Disfranchised and I'm enclosing you information relating to my book and my website. One of the main villains is Bill Salinski who was very instrumental in my wife and I being framed and spending over 7 years in prison. I read in the Atlanta Constitution on at least two occasions that Bill Salinski testified at Bill Campbell trial and was also instrumental in his conviction. Now let me say right her and now that my wife and I went to federal prison in March 1994 and got out on April 11, 2001 so I am not able to add or subtract from Bill Campbell term as mayor and my wife and I has lived in Dekalb County (15 miles east of Atlanta) since 1967 so we never voted in Atlanta.

Subject: "BILL CAMPBELL"

Let me begin by saying that I have just finished writing a book entitled Disfranchised and I'm enclosing you information relating to my book and my website. One of the main villains is Bill Salinski who was very instrumental in my wife and I being framed and spending over 7 years in prison. I read in the Atlanta Constitution on at least two occasions that Bill Salinski testified at Bill Campbell trial and was also instrumental in his conviction. Now let me say right her and now that my wife and I went to federal prison in March 1994 and got out on April 11, 2001 so I am not able to add or subtract from Bill Campbell term as mayor and my wife and I has lived in Dekalb County (15 miles east of Atlanta) since 1967 so we never voted in Atlanta.

I have proven beyond a reasonable doubt that that George and Virginia High were the victims of a government frame-up and "Racist Conspiracy" and that the United States of America and its surrogates deprived us of our Civil Rights as guaranteed by the First, Second, Fourth, Fifth, Sixth, Eighth, Thirteenth and Fourteenth amendments of the United States Constitution. We were unjustly indicted on Dec. 10, 1992, tried and unjustly found guilty on October 13, 1993, went to federal prison on March 28, 1994 and got out on April 11, 2001. George and Virginia High had a sham trial before a Kangaroo Tribunal, which was tantamount to a Judicial Lynching, and after which The United States of America Stole 1 Million Two Hundred Thousand Dollars from us and caused us to lose 4 Businesses and 4 + Million in Assets. George and Virginia High, began their fight in earnest in mid 1994, for justice and freedom and since that time have filed 15-20 Motions in the District Court, 10 + in the 11th Circuit Court of Appeals and 3 in the U.S. Supreme Court. We have filed complaints with the Justice Dept, Office of Civil Rights, State Bar of Georgia, Office of Professional Responsibility, U.S. Attorneys Office. Filed Civil Suits, and filed Criminal Action, and the list goes on and on, all to no avail. Through out this entire ordeal, the United States of America and its surrogates maintained a United Front and Stone-walled us for 15 years. I decided early on to write my book and In October 2005, I lunched this website to tells what everyone did and how and why they did it. My sole intent is to publicly expose the Executive and Judicial Branch of the United States of America and its surrogates for their unjust conviction and false imprisonment of myself and my wife Virginia C. High for over 7 + years. Visit my website: www.georgehigh.com George High, 700 Atlanta, # 813 Decatur, Ga. 30030
