

**Virginia and George High** spent over 7 years in federal prison after being framed by the Executive and Judicial in a "Racist Conspiracy." After-which The United States of America stole one (1) million two hundred + thousand \$\$\$ from them (gave it to a white snitch) and caused the High Family to lose 4 businesses and 4 + million in assets.

**George High** is now 67 years old, nearly destitute and living in a low-income senior Citizens Building and pay \$177.00 monthly and his total income is \$550.00 monthly Social Security, \$73.00 monthly SSI and \$10.00 monthly food stamps. George High assert that: He will continue this fight until Justice prevail, or hell freeze over, which ever comes first.

**Dear Sir or Madam:**

This Letter is being sent to you along with a copy of My Book, Disfranchised, which chronicle the unjust conviction, false imprisonment and overt acts of racism, perpetrated on George and Virginia High by the United States of America since 1987, and continues till this very day. Having said that let me rush to inform you that our case was not the exception, but the rule, as far as African Americans and people of color are concerned. The only thing unique about our case was the fact that I was able to articulate, chronologically the events of the last 19 years relating to our cases and well able to do research, file briefs, motions, writs and complaints with the U.S. District, Appellate and Supreme Courts.

My words has rang hollow over the past 14 years as the Executive and Judicial has maintained a united front and has stonewalled every effort of George and Virginia High for Equal Protection and Due Process of law since that time. I only ask that you read my book DISFRANCHISED and the information on my website [www.georgehigh.com](http://www.georgehigh.com) and you too will be 100% convinced that we were framed; that being the case, I humbly and earnestly ask for your help, as your position of authority and your standing in the Community, you have a **Bully Pulpit** as a public official of sufficiently high rank that provides the holder with an opportunity to speak out and be listened to on any matter. The **bully pulpit** can bring issues to the forefront that were not before considered but due to your stature and publicity, you possess an exceptional platform from which to persuasively advocate an agenda, and I need all the help I can get...

**"The only thing needed for evil to triumph is for good men (and women) to do nothing". -- Chief Justice Oliver Wendell Holmes.**

Sincerely,

*George W. High, Sr.*
