**From:** George High [hiway1@bellsouth.net]

**Sent:** Sunday, August 16, 2009 9:00 PM

**Subject:** David E. Nahmias, USA is a "Klan" and his side-kick Gregory Jones, FBI is a "house nigger"

*The Only known case of a husband and wife being jointly framed and wrongly convicted*

Virginia and George High spent over 7 years in federal prison (94-2001), after being Framed, Wrongly Convicted, The victims of Prosecutorial misconduct and of a judicial lynching, because they would not "cut-a-deal". After which the U.S.A. stole 1.2 + million from the Highs, gave it to a white snitch and caused the High Family to lose 4 businesses and 4 + million in assets. George High is now 70 years old, nearly destitute and living in a low-income senior Citizens Building and pay \$175.00 monthly and his total income is \$581.00 monthly Social Security and \$76.00 monthly SSI...but, George High affirm that: He will continue this fight until Justice prevail, or hell freeze over...which ever comes first...

**Now Sonny Perdue and David E. Nahmias** like so many others have always operated on the fringes of Racism and hate and has always adhered to the dictates of the KKK, but during the 50s and 60s, in Alabama, Mississippi, Arkansas and numerous other places, their antics brought too much unwanted and negative press so the so-called "good-white-folks" wanted no part of it. So all the state and Federal Judges, governors, State & Local Politicians had to "take off the sheets" and clean up their act and stop hanging "darkies" so they could find a home in the Republican Party. They all took a page out of the play book of David Duke, Trent Lott, Ruche Limburg and so many other, ...then Newt Gingrich gave em the contract with America and took over the house, after Regan had 8 years, Bush 41 had 4 years...and Bush 43 had 8...Them Uptown Klan's was on a roll, after they traded in their sheets for three-piece-suits.

**Sonny Perdue** won a Georgia state senate seat in 1992 perpetrating as a Democrat. He bolted the party and went back to his "First Love" the Republican party and the KKK in 1997 and he got his Klan card back "on-the-down-low"...backed by Georgia Republican state chairman and former Christian Coalition head Ralph Reed, upheld the honor of those who died defending slavery, and pledged that, if elected, he would push for a statewide referendum to restore the old flag, nearly two-thirds of it taken up by the Confederate emblem. The Democrat Roy Barnes had been expected to win reelection handily. The election returns clearly show that rural white voters switched in droves to vote Republican, and that the flag controversy was one important reason why. Now for Grand Dragon Sonny Perdue to name Imperial Wizard David E. Nahmias (*who runs the U.S. Attorneys office like a 1800 Plantation*) to the Supreme Ct. of Georgia is not so far out of the ordinary because there have been 3 sitting Justices on the U.S. Supreme Ct who were "card-carrying-KKK" and no less that 5 U.S. Presidents...check my website if you don't know your history.

**Gregory Jones** Special Agent in Charge, Atlanta FBI. When Gregory Jones was appointed to what seemed to be a Top Flight Plum Position, he really thought he was going to be "Running-The-Show" , but in fact he was just a H.N.I.C. or the spook who sat by the door. He was really the "house nigger" and a go-fer and his position was to make blacks feel that they had one of their own who would certainly treat them right. but all he did was assist in putting black males & females in prison, mostly from S.W. Atlanta. He never arrested, investigated, or kicked down any white folks doors in Ball Ground or Cummins, Ga. or any other white neighborhood, and for that matter, If he had, they would have "tarred and feathered that Sambo". Greg has 100s of notches on his AK47...and they're all painted black. When there were any "white Collar" misdemeanor crimes committed in Atlanta, David E. Nahmias would call his "boy Greg" and tell him to send a couple of the white FBI agents to escort them to the courthouse. It is all but impossible for a black person to make a case of Racism or Civil Rights Violations against a brother or sister in Law Enforcement...as a matter of fact...its non existence and the alleged victim will look like a fool and his fate would be sealed...

**Gregory Jones & David E. Nahmias should both be in federal prison now, serving no less than ten years.** At this time we are adding them to our "Wall of Shame" the list

of people on the criminal complaint, Civil Rights violation, racketeering and the Racist Conspiracy who were major players in the mass cover-up which protected all the Judges in the district Appellate and Supreme Ct. and maintained a united front and has stonewalled the efforts of the highs since 1992. I stand by everything that's I've written in my book Disfranchised and also My website which is [www.georgehigh.com](http://www.georgehigh.com)
