RE: Civil Rights & Criminal Complaint

I have proven beyond a reasonable doubt that that George and Virginia High were the victims of a government frame-up and "Racist Conspiracy" and that the United States of America and its surrogates deprived us of our Civil Rights as guaranteed by the First, Second, Fourth, Fifth, Sixth, Eighth, Thirteenth and Fourteenth amendments of the United States Constitution. We were unjustly indicted on Dec. 10, 1992, tried and unjustly found guilty on October 13, 1993, went to federal prison on March 28, 1994 and got out on April 11, 2001. George and Virginia High had a sham trial before a Kangaroo Tribunal, which was tantamount to a Judicial Lynching, and after which The United States of America Stole 1 Million Two Hundred Thousand Dollars from us, gave it to a white snitch and caused the High Family to lose 4 Businesses and 4 + Million in Assets. George and Virginia High, began their fight in earnest in mid 1994, for justice and freedom and since that time have filed 15-20 Motions in the District Court, 10 + in the 11th Circuit Court of Appeals and 3 in the U.S. Supreme Court. We have filed complaints with the Justice Dept, Office of Civil Rights, State Bar of Georgia, Office of Professional Responsibility, U.S. Attorneys Office, Filed Civil Suits, and filed Criminal Action, and the list goes on and on, all to no avail. Through out this entire ordeal, the Executive & Judicial has maintained a united front and "stonewalled" us in our quest for equal Justice and due process of law since 1992. I decided early on to write my book and In August of 2005 I lunched this website to tells what everyone did and how and why they did it. I have sent 4-5 emails complaints to the FBI website in Washington, 7-10 to the ask DOJ website and 2-3 to the civil rights and I expect they have all been "trashed" and I suppose this complaint will suffer the same fate.... Y'all will find all of my evidence on my website or in my book DISFRANCHISED...

Virginia & George High were the victims of a "Judicial Lynching" and spent over 7 years in federal prison after being framed by the Executive and Judicial in a "Racist Conspiracy." After-which The United States of America stole 1 million two hundred + thousand \$\$\$ from them and caused the High Family to lose 4 businesses and 4 + million in assets. My Memoirs, DISFRANCHISED is now in print, and is 100% truth, but in all earnestly it is very controversial because George High names 12 federal Judges in the 11th Circuit, Presidents Regan, Bush # 1 and President Bush along with 19 other persons who participated in framing of George and Virginia High.

George High now live in low-income senior Citizens Building and pay \$177.00 monthly and his total income is \$550.00 monthly Social Security and \$73.00 monthly SSI and \$10.00 monthly food stamps. George High affirm that: He will continue this fight until Justice prevail, or hell freeze over, which ever comes first.
