I have proven beyond a reasonable doubt that that George and Virginia High were the victims of a government frame-up and "Racist Conspiracy" and that the United States of America and its surrogates deprived us of our Civil Rights as guaranteed by the First, Second, Fourth, Fifth, Sixth, Eighth, Thirteenth and Fourteenth amendments of the United States Constitution. We were unjustly indicted on Dec. 10, 1992, tried and unjustly found guilty on October 13, 1993, went to federal prison on March 28, 1994 and got out on April 11, 2001. George and Virginia High had a sham trial before a Kangaroo Tribunal, which was tantamount to a Judicial Lynching, and after which The United States of America Stole 1 Million Two Hundred Thousand Dollars from us and caused us to lose 4 Businesses and 4 + Million in Assets. George and Virginia High, began their fight in earnest in mid 1994, for justice and freedom and since that time have filed 15-20 Motions in the District Court, 10 + in the 11th Circuit Court of Appeals and 3 in the U.S. Supreme Court. We have filed complaints with the Justice Dept, Office of Civil Rights, State Bar of Georgia, Office of Professional Responsibility, U.S. Attorneys Office. Filed Civil Suits, and filed Criminal Action, and the list goes on and on, all to no avail. Through out this entire ordeal, the Executive & Judicial maintained a United Front and Stone-walled us for 15 years. I decided early on to write my book, DISFRANCHISED and In October 2005, I lunched this website to tells what everyone did and how and why they did it. My sole intent is to publicly expose the Executive and Judicial Branch of the United States of America and its surrogates for their unjust conviction and false imprisonment of myself and my wife Virginia C. High for over 7 + years. Visit my website: www.georgehigh.com

For the Executive Branch and its surrogates to conspire and collude with the Judicial Branch to participate in a "Judicial Lynching" of George and Virginia High, husband and Wife for no other reason than the fact that they were black, makes a farce and mockery of "equal justice for all", and does not send a clear message to other countries where the United States is trying to peddle its "Racist brand of Democracy." (excerpts from my book Disfranchised, page 240)

George and Virginia High were unjustly indicted on Dec. 10, 1992, had a sham trial and unfairly found guilty on October 13, 1993. After which The United States of America Stole 1 Million Two Hundred + Thousand Dollars from

them and caused the Highs to lose 4 Businesses and 4 + Million in Assets. George and Virginia High went to federal prison on March 28, 1994 and was released on April 11, 2001, after having been incarcerated for over 7 years.

George and Virginia High, began their fight in earnest in mid 1994, for justice and freedom and since that time have filed 15-20 Motions in the District Court, 10 + in the 11th Circuit Court of Appeals and 3 in the U.S. Supreme Court. They also filed complaints with the Justice Dept, Office of Civil Rights, State Bar of Georgia, Office of Professional Responsibility, U.S. Attorneys Office.
