Ms. McKinney,

In mid 1997, my wife wrote you a letter and enclosed is your respond and I'm also enclosing you a copy of a letter I wrote to you and Rep. John Lewis. I will make this letter as brief as possible.

On December 10,1992, George and Virginia C. High were jointly indicted in a thirty-nine (39) count second superseding indictment along with Thirteen other defendants, alleging violations of 21. U.S.C. § § 841 and 846 (drug conspiracy); 18 U.S.C. § 371 & 2 (a separate money laundering conspiracy, alleging money laundering (18 U.S.C. § 1956), structuring (31 U.S.C. § 5324). George High was also charged in the indictment with two counts of weapons charges in violation of 18 U.S.C. § 922 (Id.). Both entered pleas of not guilty to all charges. We were tried, found guilty and went to prison In 1994 and since that time have filed 15-20 motions in the District Court before Judge Vining, 10 + in the 11th Circuit Court of Appeals, 3 in the U.S. Supreme Court. I filed a complaints with the Justice Dept., the Office of Civil Rights, the State Bar of Georgia, Office of Professional Responsibility, filed complaints U.S. Attorneys Office, filed Civil Suits against the two fake court appointed attorneys. I also filed a civil suite against the FBI and others. I filed criminal action with the U.S. Attorney in Atlanta and the list goes on and on, all to no avail. The United States of America and its surrogates maintained a united front and stonewalled us through out the investigation, indictment, trial and subsequent proceedings. After all else failed I decided to write this book to publicly expose the Executive and Judicial Branch of the United States of America for their unjust conviction and false imprisonment of myself and my wife Virginia C. High for over 7 + years and the millions two hundred thousand they stole from us and the 4 million they caused us to lose. My Book "DISFRANCHISED" has 264 pages will be published by Late March and I downloaded the front and back cover to my website yesterday.

Please just visit my website www.georgehigh.com and I guarantee that you will be 100% convinced that we have made our case of being framed by the Judicial and Executive branch and we have named the klans.

Sincerely,

George and Virginia High are husband and wife, having been married since 1968. When the government alleged that this investigation began (1990), we had assets in excess of 4 million dollars and had an ownership interest in Georgia Home Improvement Co., Inc., (since 1981 and still operating), major stockholders and major property owners in High-Five, Ltd, Shareholders in Bal, Inc. and owner/operators of Highs realty, Inc. in which George High was the broker and Virginia, Eric and George High, Jr. along with 30 + others were all licensed real estate agents. The second superseding indictment alleged that the Highs used these businesses as, "fronts" to structure currency transactions and laundry money that was illegally obtained through the trafficking of narcotics. George and Virginia High pled not guilty to the indictment and have maintained their innocence throughout the trial and subsequent proceedings. I have proven beyond a reasonable doubt, that the federal government and its surrogates engaged in a pattern or racketeering in as such that we were the victims of a government frame-up and racist conspiracy. The objective of the conspiracy was to deprive us of our rights as guaranteed by the First, Second, Fourth, Fifth, Sixth, Eighth, Thirteenth and Fourteenth amendments of the United States Constitution. We were unjustly Convicted Falsely Imprisoned and Framed by Rouge agents within the IRS, F.B.I., U.S. Marshall, The U.S. Attorneys office, two counterfeit defense attorneys, a district judge and 11 Appellate Court Judges, and The Highs had a sham trial before a Kangaroo Tribunal, which was tantamount to a Judicial Luncheon. George and Virginia High, began their fight in earnest in mid 1994, for justice and freedom and since that time have filed 15-20 Motions in the District Court before Judge Vining. 10 + in the 11th Circuit Court of Appeals and 3 in the U.S. Supreme Court. Re: Bill Campbell

Mr. Martin,

Let me begin by saying that I have just finished writing a book entitled Disfranchised and I'm enclosing you information relating to my book and my website. One of the main klans is Bill Salinski who was very instrumental in my wife and I being framed and spending over 7 years in prison. I read in the Atlanta Constitution on at least two occasions that Bill Salinski testified at Bill Campbell trial and was also instrumental in his conviction. Now let me say right her and now that my wife and I went to federal prison in March 1994 and got out on April 11, 2001 so I am not able to add or subtract from Bill Campbell term as mayor and my wife and I has lived in Dekalb County (15 miles east of Atlanta) since 1967 so we never voted in Atlanta.

Excerpts from my book: Gorge and Virginia High are husband and wife, having been married since 1968. We have filed complaints with the Justice Dept. The Office of Civil Rights. The State Bar of Georgia. Office of Professional Responsibility. Filed complaints U.S. Attorneys Office. Filed Civil Suits, And filed Criminal Action, and the list goes on and on, all to no avail. So now I'm writing a book and it tells what everyone did and how and why they did it. My sole intent in lunching this website in 9/05 was to publicly expose the Executive and Judicial Branch of the United States of America and its surrogates for their unjust conviction and false imprisonment of myself and my wife Virginia C. High for over 7 + years.

Gorge and Virginia High are husband and wife, having been married since 1968. When the government alleged that this investigation began (1990), we had assets in excess of 4 million dollars and had an ownership interest in Georgia Home Improvement Co., Inc.,(since 1981 and still operating), major stockholders and major property owners in High-Five, Ltd, Shareholders in Bal, Inc. and owner/operators of Highs realty, Inc. in which George High was the broker and Virginia, Eric and George High, Jr. along with 30 + others were all licensed real estate agents. The second superseding indictment alleged that the Highs used these businesses as, "fronts" to structure currency transactions and laundry money that was illegally obtained through the trafficking of narcotics. George and Virginia High pled not guilty to the indictment and have maintained their innocence throughout the trial and subsequent proceedings. I have proven beyond a reasonable doubt, that the federal government and its surrogates engaged in a pattern or racketeering in as such that we were the victims of a government frame-up and racist conspiracy. The objective of the conspiracy was to deprive us of our rights as guaranteed by the First, Second, Forth, Fifth, Sixth, Eight, Thirteenth and Fourteenth amendments of the United States Constitution. We were unjustly Convicted Falsely Imprisoned and Framed by Rouge agents within the IRS, F.B.I., U.S. Marshall, The U.S. Attorneys office, two counterfeit defense attorneys, a district judge and 11 Appellate Court Judges, and The Highs had a sham trial before a Kangaroo Tribunal, which was tantamount to a Judicial Lunching. George and Virginia High, began their fight in earnest in mid 1994, for justice and freedom and since that time have filed 15-20 Motions in the District Court before Judge Vining, 10 + in the 11th Circuit Court of Appeals and 3 in the U.S. Supreme Court. Rep. Cynthia McKinney

I Am enclosing you copies of a number of letters that I've written you since 1997 and a copy of one you sent my wife when she was in prison and I later found out that the villain you were so confident would do all they could to help us was the Racist U.S. Attorney who framed us and caused us to spend over 7 years in prison. I have also sent you about 4-5 email, all to no avail. We have lived in Dekalb County since 1977 and I only wrote you because you are our Congresswoman, although we are not able to vote, which I also addressed in my book. Following is a brief synopsis of the events over the last 16 Years of our lives and how our lives and our two sons and their families were destroyed. Ms. Mckinney If you can not or choose to not assist us, I will still continue this fight until we are vindicated, but by all means visit my website and I'll be happy to loan you a copy of my book to read and you'll be 100% convinced that we were framed by the United States of America. Oh! By the way I'm 67 years old
